**Q2: Match Review Summary**

Round Robin week at Bulleen on Sunday with the boys playing 4 x 12 minute games in beautiful Autumn conditions across a 2.5 hour period. Less chaotic than expected thanks to the many helpers on hand. Specific thanks to our astute TM Dave for his organisation! Onto the games and the boys acquitted themselves well with 4 wins from 4 (not that we're scoring.....) led by our Rising Star Charlie D in the Captains role this week. The opening game saw big Tom N assert his influence with his ability to take the game on, attacking and moving the ball on quickly. Exactly what the coaches wanted to see. No surprise that he was the coaches unanimous choice for Top Team Player of the day being awarded the sponsors prize of a Scuba Pack courtesy of our great team sponsor Scuba Culture. Special mentions to Jobe D who played some of his best footy for the Blacks, Lachie L who courageously took the field again after suffering an injury, Billy W kicking a great roving goal, Oscar K for his poise with the ball in hand always making the right choice and the run

provided by our mosquito fleet of Sam S, James A and Jack N. A great team effort. Well done fellas!

### Q2: Match Review Summary

The SE Products U8 Reds headed out to Bulleen Park for our first Round Robin of the season. The boys handled the logistical complexity with aplomb taking on Glen Iris, Brunswick, Bulleen Temp and Banyule. We started strongly and saw some excellent sharing of the ball resulting in multiple goals. As the day progressed we 'Hunted the Ball' with increasing fervour. Our tackling was outstanding. 'Lenny' McLiskey laid 7 tackles of his own in the final game alone! The highlight of our day though was winning the ball in the contest and handballing to players out in a better position. This set up a lot of our goals. The boys loved the round robin format training for two hours and playing for one!!

### Q3: Best players

Leaping Leo was good. Liam Burgher had a great day out. As did his Tiger mate Cooper Peschke. The Pietsch twins were lively as usual with Juddy taking 'candy sale of the day' honours. Oli D and Ned were applauded for use of their opposite foot when under tackle pressure. Great stuff guys. Brady keeps attacking the footy and using his fine kicking skills. Sam G drove the ball forward on many occasions and marked well. The experience of second year players Zac and Lenny held us in good stead all day. Symesy took a couple of cracking marks and rucked brilliantly for us. Billy Brasch

following on from his BOG medal the week before was always dangerous around the packs.

### Q4: Goal Kickers

Coops kicked 4 he tells me. Gilly kicked a couple. Brady. Liam. Juddy P. Lachie P. Leaping Leo. Maybe I missed one or two!

### Q5: Goal of the day

Slammin' Sammy Gillard's banana from 20m out on the boundary line was not a bad snap

### Q6: Play of the day

Too many shades of brilliance to decide. We missed Oli T though.....hope the arm gets better soon mate!

### Q7: Mark of the Day

Liam Burgher imposed himself on the contest in a Wayne Carey-like moment of strength at CHF. No wonder they can't bring him down in Red Rover....

### Q8: Top team player

Coach Pietsch asked all day for the boys to 'get over and help out at the contest'. The 'Big Z', Leo Zvirbulis, took the chicken & chips voucher.....Barb'll need the help with 3 sons and the Vice-President in Bangalore!

### Q2: Match Review Summary

Our Round Robin day was on Sunday and the boys took another great step forward in the way they played together as a team. Across the four games; Ashton was his usual silky smooth self, Ben took some great overhead marks, E.J. attacked the ball hard and showed off his improved kicking skills, Khris showed his ability to break away from packs, Luke D took his runs up the wing and delivered long kicks to his teammates, Luke S wouldn't let any ball or opposition player get past him, Matt was tough in the packs regularly clearing the ball for our team, Matt was impossible to catch dodging and weaving around the opposition players, Noah once again controlled the backline stopping the oppositions team's attacks with clean marks and great rebound kicks,

Will was ferocious in his attack on the ball and made sure he got to it first before his opponent every time, Lucas S led his teammates superbly always communicating clearly and pressuring any opponent who got the ball before him and Lucas A also showed a great attack on the opposition player laying plenty of great tackles. Finally our injured Joshy provided support for his teammates helping out in the warm-ups. Everyone contributed to a great day and some superb team footy.

**Q2: Match Review Summary**

We had a great game on Sunday against the Kew Comets 2. Sam was our illustrious leader this week and didn't that give him some extra spring in his step. Not only did he win the toss he had a series of smothers through the game that were better than Heath Shaw's against Nick Riewold in the 2010 grand final. Great Stuff Sam!! The Kew boys skipped out to a 3 goal lead at quarter time, which could have been much larger if it wasn't for our backline that were applying great pressure on the opposition and the ball. Patrick, Jonathon, Will, Luke and AK you all deserve recognition for your great efforts here. It wasn't until we got into the Quarter time huddle where we were able to focus in on why our forward line was not as functional as it has been over previous weeks. It turns out an early morning dog had left a deposit on the far forward flank, that's worse than having the opposition runner filling space on the ground or the Bombers tying the flags to the flag poles..... This was quickly resolved and the boys were told not to lift any of the zone cones as they may find an unwanted surprise. During the second quarter we really shifted into gear and made great use of a ground larger than the ones we have been playing on. Our speed machine Jonathon was mopping up everything that came his way and then leaving everyone in his dust as he drove the ball forward time after time. He continued this throughout the day and came extremely close to holding Mark of the year and for those reason's he was the "Cherry Ripe" Man of the match. The 3rd quarter had some highs and low's – the low being poor Spencer who copped one below the belt and

needed time of the ground to recuperate. The high for him though was that he received the award for the "Not so marvelous" moment. During the umpires briefing through the week, they must have been focusing on rewarding strong tackles as this week Cooper got free kicks for nearly all of his big tackles, which hadn't been seen over previous weeks....let's hope it stays that way..... During the final quarter Kew proved a little too strong.....

**Q3: Best players**

Matt presented the contentious chocolate awards this week and the winners were: Boost Best Efforts – Sam and Patrick, smothering was great guys..... Crunchie Kick of the day – Justin with an awesome pass in the 3rd quarter..... Fred Fanning Flake goal of the day – Aidan in Qtr 1 and AK in Qtr 2..... Turkish delight tackles – Cooper..... Moro Mark of the day – Max M for his classic in the first Qtr Fifty cent candy dodge award – Jack..... For those wondering why it was a contentious week for the chocolate awards you may have noticed that a flake was used instead of a Freddo and a Moro instead of a Mars.....well Cadbury found out that we have been mixing and matching other brands in our awards and have now jumped on board as a sponsor.....thanks Cadbury....

## Q2: Match Review Summary

The boys should be proud of how they played today, their week on week improvement definitely showed today playing the Hawthorn Citizens again. We were extremely competitive today and the boys fought hard right to the final siren.

Leading, quick hands and the movement of the ball was the name of the game today and the boys delivered. Some great grabs and marks for the day, a couple of cracking overhead grabs from Mason, Torben, Oscar, James Hough and a brilliant chest mark in front of goals by Lachie D. Quick hands from Jordan R, Jordan T and Ruari. Both Jordan D and Ben P busy all day, I asked the boys to stick on their players today and it really showed, well done boys. Some great pressure and tackles from the entire team. There were a number of plays of the day, Charbel being involved in a couple and there was a brilliant play out of the centre with

Oscar tapping it back to Harvey and Harvey booming it down to the forward line. Well done boys what a great game.

Today's match against North Brunswick was all about adapting, while sticking to our game plan. The away ground, the away team and their style of play was new to our team, so Ashy had to adapt but stick to what works best - and that is get the ball and keep possession. Although the opposition did their best to rattle our players, Ashy stood firm and played a dominant brand of footy. All players contributed very well and worked very hard to produce a very healthy score line. Plenty of highlights today, which included lots of hard ball gets, lots of run and carry, and numerous kicks to a moving target. Well done to Jellis Craig U10 Blacks. **Q2: Match Review Summary**

IN THE ARENA Round 5 Ashburton V Glen Iris Gladiators Location: T H King Oval, Glen Iris This week the Ashburton Meats Greens took on their traditional inner eastern leafy suburb rivals, the Glen Iris Gladiators at the T H King Oval and Environmental Education and Design Centre. The Gladiator's home ground was an impressive set up; a magnificently large oval, fancy 'so hot right now' electronic scoreboard, the real deal football siren and amongst the flurry of the ground set up, a dedicated BBQ was swung into action to provide pre-game egg & crispy bacon sandwiches. The customised '3146' club aprons only further marked Glen Iris as serious contenders for the Canteen of the Year award. Nick 'Captain Clipboard' Adams had the warm up underway in no time and team roles promptly allocated. In another strategic move, Macca took up the goal umpiring position yet again before Ashy's water carrier Jim 'Boom Boom' Bouyoukas and runner, Richard Jones fully appreciated the scale of the massive playing field. Coach Justin Reid stood in as head coach while Peter 'Mumbles' Martin was away for an interstate regional ute muster and having studied the Kew Comet's in last week's game, Coach Reid was adorned in a rather spiffy black puffer vest. It was clear he meant business. Captained by the Bazooka brothers, Alex & Christian, Ashy were off to a flying start. Within the first

minute Christian Bouyoukas, took on a big run and kicked straight at goal, falling just short. Skillfully keeping the ball in play, Jack 'The Postman' Urquhart, delivered the game's first goal and the solitary score for the Quarter. The Ashy Greens showed good speed and pace over the expansive ground, with Alex Bouyoukas strong in the midfield, Donantony 'The Italian Job' Boulter displaying a nice touch of class clearing the ball out of defence and into space and Teddy 'Eddie Betts' Hall a tackling machine again for Ashy. Q1: Ashy 1. 0. (6) to Glen Iris 0.0. (0) Coach Reid went through rehearsed routines, drill numbers, strategies, positions and declared, 'Do we all know what we're doing?' and then importantly confirmed the boys knew which way they were kicking in the next Quarter. A great arm wrestle of a game developed, with Jayden 'Rowdy' Reid making the big tackles and Louis 'Lofty' Jones in a solid smother. Ashy maintained pressure football with a big sequence flowing across the length of the oval, that saw a George 'The Professor' Adams handball to Gus 'Danger' Grainger, on to Anthony 'The Packet' Costa, tapping on to Jonny 'B-Double' Branagan who kicked on to 'Rowdy' Reid. The spectators were as puffed out as the boys just watching. By this point, the Ashy water carrier, Jim 'Boom Boom' Bouyoukas, was making phone calls to see if he could hire a golf cart for the second half of the game. Q2: Ashy 1. 0. (6) to Glen Iris 0.0. (0) The Third Quarter got under way with a solid mark by Alex B, kicking into Ashy's

forward half, where Jayden 'Rowdy' Reid took a dashing snap at goal, but to no avail. Keeping the ball trapped in Ashy's forward half, Pat 'The Masterpiece' Harmon and Anthony 'The Packet' Costa maintained the pressure, held up the ball, then a kick out to Alex B taking a mark at the top of the square where he kicked second goal of the game. Ashy went forward again with 'The Masterpiece' and then on to Jayden 'Rowdy' Reid running it in to the goal square. Gus 'Danger' Grainger made a great tackle and took the free kick, passing it unselfishly back to the Masterpiece who then goaled, the third for Ashy. The Ashy defence was hard at work, Anthony Costa, Eddie 'Goody' Goodwin and Louis Playne holding their positions well in the back pocket, repelling the serious threats of Glen Iris rebounds. Ethan 'The Edge' Georgiades had been great in the contests, keeping his eyes on the ball and helping to hold Glen Iris again scoreless despite some very strong efforts. Q3: Ashy 3. 0. (18) to Glen Iris 0.0. (0) Heading into the sun in the last Quarter, the game continued as Glen Iris threw in everything they had. At the 9 minute mark, Glen Iris finally broke through for their first goal. Lucas Higgens was non-stop in facing the Glen Iris charge as they went forward again, luckily spraying only a point, then back again for a rushed behind. It was a great last quarter of footy, played hard but in

good spirits and Ashy was able to prevail with a win. Ethan Georgiades received the Glen Iris team's best player award and the boys got to belt out a rousing rendition of Ashy song on the oval. Well done Ashy Greens! Q4: Ashy 3. 0. (18) to Glen Iris 1.2. (8)

The first game in green for the boys certainly wasn't as easy as some may have thought. The first half saw us pushing relentlessly against a strong opposition midfield and defense. Parkside played extremely effectively looking to get their first win of the season. During the second Jacko managed to score our first goal of the game. Mack and Matty continuously tried to use their speed and agility to break out onto the wings and get the footy forward but overall we were beaten by a very strong opposition that used the width and size of the ground extremely well. **Q2: Match Review Summary**

Into the brown division we headed with serious excitement and some apprehension due to our team numbers. First up St Mary's who had taken care of 3 brown division games and quite comfortably. Would we rise to the challenge. I couldn't quite believe my eyes as we scored from the first tap, (see play of the day below), Hugh finishing off a sublime move. St Mary's got a fright but clearly weren't scared of us and with the wind punished us a few times in the first quarter. This was going to be harder than the first minute suggested. In the second, with the wind, we were mighty. Kicking long and true, backs holding their position, mids thumping into their opponents (legally) and we bagged a couple, Hugh again with a clean set shot and James with another trademark club from far. Going into half time we were only 5 points down due to a late St Mary's goal. By then we had lost Spencer to a head knock after some typically aggressive opposition play. This was no tea party. We went again in the third and held our nerve, our backs focusing on staying with their men and rotating our rovers to stay fresh. We didn't make many inroads but it would not be a walkover. In the fourth, we lost another but had settled with Luke driving some a great goal due to his second efforts and were beginning to use the wind to our advantage when we lost a second player, Rylan this time with a head knock. Footy quickly became very second order as Rylan lay on the turf, very still, we were all very anxious but confident that he was getting some terrific care. We requested that the game finish there and then we sought to calm our boys fears. Thankfully Rylan was checked out at the hospital with a mild concussion. A real perspective for us

on playing bigger and stronger, graded teams. Ashy 25-47 St Marys

Against the mighty Ashy Greens, the Blacks were keen to put on a show at the premier 3pm time slot. With a 50% win-loss record from the grading rounds, and the Greens looking for a win, the Black team was keen to take it to their friends and rivals. The first quarter however set the tone, with the Greens showing themselves to be too strong, moving the ball with pace and precision and having plenty of contributors. **Q2: Match Review Summary**

A sunny Autumn afternoon saw the first official derby between our boys and the Ashy blacks. The siren sounded the start of our domination in the middle all day through the work of Tom Voller and our midfield including Ollie H, Charlie N and Kieran Peck. We moved the ball quickly and to our team mates advantage. Will McQueen and Harry Stack lurked dangerously up forward bringing down some telling marks. Sean in typical fashion snapped an early goal. Resisting the temptation to blast away Ollie McKerral lowered his eyes and found a team mate up forward which resulted in a goal to Benj. Leigh took some difficult marks and slotted another major himself. Alistair Peck on wing found plenty of the ball and also scored a goal. Benj ended the quarter with his second. The boys were off to a flyer. The second quarter saw the momentum from the first continue. Zach Thurman slotted two long goals putting on a master class from the wing. Ollie E threaded one from an impossible angle on the boundary line and the followed it up minutes later with a second. Classy goals from both Ferg and Alistair finished the quarter. In the third quarter we slowed down a bit which brought our backs to the fore. Charlie M at centre half back lead the backline group who repeatedly sent the ball back into our forward fifty. Strangely he took a mark in the goalsquare and kicked a goal. Robbie Cliff then unleashed on the ball and kicked our last for the quarter. Charlie Nancarrow hunted the ball up and down the ground all quarter. In the final quarter the boys were urged to finish on a

high note. Much to boys credit they continued to exert pressure all over the ground and particularly up forward. Flynn found space and ran and kicked a major. Sean who had been providing great support to other goals kickers all day again found the big sticks and Benj resolute at full forward kicked his third for the game. The game was played in great spirit with the boys from both teams singing the club song together after the final siren. In the end the whole club was the winner on the day. Thanks to those boys that filled in for the Blacks without hesitation. True Ashy Redbacks spirit!

**Q2: Match Review Summary**

Our boys faced last years Premiers the Kew Comets for the 2nd time in a fortnight with Kew unfortunately able to turn the table on our previous result. Both teams are very evenly matched with a similar style of play based on fast ball movement. Kew came out hard early and really had our boys on the back foot going in to half time with a comfortable 5 goal lead. To our lads credit, they fought back hard in the third quarter getting the margin back to 12 points by the final change. After we hit the post early in the last quarter, Kew steadied again and kicked away to record a 4 goal victory.

Ashy 3.1 (19) lost to Hawthorn Citz 13.15 (93) Donald Trump announced a Wall. The Germans pulled theirs down. The UK had its Brexit. But this week, the Ashy under 13s put themselves squarely on the world stage by declaring their very own Redbacks-It. After a week-long summit and a string of late night meetings, plumes of white smoke were finally spotted drifting from the chimney of the Ashy clubrooms to declare an historic result, like some scene from a Vatican papal vote. A grand collection of coaches, committee, wizened councillors, tribal elders, directors and demographers had finally made their call on whether to split; merge; promote; relegate; shutdown; or reopen the two secondary under 13s teams. With numbers dwindling, scoreboard floggings accumulating and percentages plummeting, tough decisions needed to be made. And to their credit, the hard-working decision makers faced up to the challenge of a veritable 'Sophie's Choice' with all the wisdom of the great King Solomon and made the call - Ashy Blacks would leave Green; Ashy Green would leave Blue; Ashy Red would stay Gold; Ashy Black would leave behind their Gold result against the Brown and Golds from their time in Green; and Black and Green would combine as one new team to become Ashy Green in Green; making Gold quite Green with envy no doubt. Easy. And in one of the greatest ironies of this incredible story, the newly consolidated Ashy Green turned up to play traditional rivals Hawthorn Citz at Ferndale

and were promptly asked to provide a spare player to the visitors. In cool conditions, old footballing team-mates came together again under the united Ashy Redback banner and the coaching of a jet-lagged 'Radiant' Rod Martin, straight out of Emirates business class after a three week work junket travelling the world. The new outfit struggled to adjust early in the piece before a superb snap from Joel 'Mopsy' McMahren recorded Ashy's first major. Angus 'the Duke' Dixon was a driving presence in the ruck and his work was well converted by Ronan 'GST' Smythe (that extra 10%) and Harry 'Houdini' Bowen (so fast he disappears without trace) on the wing. But the strong opening collapsed just before the first break as the visitors kicked four quick goals, including a blinder from Ashy Redback Ben 'Whisky' McLisky (it rhymes) that led the Citz coach to offer him a meat pie after the game. From quarter-time, things unravelled for our new heroes. The Citz clicked into gear and were only denied by some inaccuracy; strong defence from the Hammer Hamish Toohey; Tom 'Wish' Wilson; and one of the great solo efforts in recent junior footy from 'Hollywood' Harrison Haintz (looks a million bucks, like his Dad). Haintz was everywhere in defence; marking; tackling and contesting as the Citz onslaught poured on through the second half. By the end it was a comprehensive mauling by a well-drilled outfit. The new Green team could at least celebrate non-stop effort and a rousing goal in the last from McLisky, ironically the Citz's

What great weather for footy we had on Sunday backed up by a great game played by all the girls with an even better result. I must say it was a little hard for Lou, Natt and me at the start of the game as they bounced the ball the coach of Bulleen came over to me informing me we need to take off 3 players as they were short. However, in true Ashy Redbacks spirit, 3 of our girls from the interchange said they would play for them. I want to thank all the girls that ended up playing a quarter or more with Bulleen you showed brilliant sportsmanship we are all very proud of you. A special shout out to Laura # 3 for kicking a goal for them you are a star. As normal our games are never short of highlights, we play a solid attacking game, our defence let us down a little in the 2nd quarter however after our halftime talk all they girls got back on track attacking and defending hard. Congratulations to Sophie Z # 4 on kicking her first goal, and to Sophie P # 10 for kicking her first goal and for playing an unbelievable attacking and defensive game just fantastic. Also, a big call out to Jasmine #2 on kicking 3 goals and to Georgie # 14 on kicking 3 goals great work. Elli #7 had a great goal however it was not allowed, still, a fantastic kick and to Rosie # 13 on hitting the centre post, I think the post are still wobbling is was a cracker of a kick. Lots of great marks taken and some

fantastic tackling Rosie, Alannah, Amy, Lucy and Jennifer defended very good Orla, Georgie, Elizabeth, Laura, and Katie all worked well in forwards. Sophie Z and Lucey P did great work in the ruck as did our rovers Ellie and Sophie P. Ginger, Abi, Ella, Ava and Izzy all did great work in the position they played throughout the game. Our boys were up against the undefeated Hawthorn Citz this week. In a titanic battle that saw so many first half lead changes, both teams came in at half time locked together. In the third term Hawthorn had larger part of the play to lead us at 3/4 time by 7pts. The game was a real last man standing battle with the tackling, pressure and speed of the game making it a typical high class U13 clash. With just minutes left we nailed a goal to put the team ahead for the first time in the second half, but sadly with seconds remaining our opposition hit back to win by 5 pts. We were proud of the boys efforts and contributions across the ground. The development of most of the boys is a credit to alot of hard work they have been putting in away from the training track, although we have some that can work harder to achieve their goals. With our players understanding the adjustments and

lift in intensity they need to make at this very high level we look forward to every game that is ahead of us this season.

Surrey Park 41 def Ashy 28

**Q2: Match Review Summary**

We travelled to Bennetswood to play Surrey Park for the second time in 3 weeks. We found their team to be a lot taller than it was last time and it became quite apparent that they had a number of players that had come back from last year. We kicked in to the wind and while the game was scrappy, the defence in Prior, Serpell, Khan, Anderson, Politis and Irwin (having his best game) stood up beautifully to find that after Walker snapped a great goal close to the siren the scores were level. The second quarter with the wind wasn't as easy as we thought. The game was still scrappy and while Georglin, Walker, Torey, McConchie, O'Leary and Mounas were getting on top in the middle, we found it hard to convert. Byrne Jones, Boothey (having a great game) Hribar, Bohan, Moffat, Wyld, Robertson and McLean were all doing well but we just couldn't get that last kick right. That said, we went in to half time with a comfortable 8 point lead. What we have been finding is that if we have a lapse, the opposition capitalises and unfortunately we were just a little bit off in the third quarter. We let their runners run and we were a little off defensively which you cannot afford to do. The backline was doing a great job, led by Irwin, but they couldn't stop everything and we saw our 8 point lead turn in to a 12 point deficit. The last quarter went the same way as the first half.

Very scrappy but when Smith took a strong mark and played on (why) and goaled after a great kick to the top of the square we found ourselves only down by a goal but unfortunately that was enough of a buffer and we couldn't get any closer. Bad luck guys, well fought out

### Q2: Match Review Summary

With the first four games not going our way it saw us move down to Division 2 and as a result travelling out Macleod for our first game in the new comp. With the toss being won by us and having the breeze in the first quarter the boys were able to use the ball well and get a lead of 4 goals to 1 at the first change. A lapse in the last few minutes of the second costing us 3 goals saw the game even at the major break but some really good signs were shown with the boys playing the way they were instructed and consistently backing their skills. An even 3rd quarter saw us with a one goal lead as the wind started to die down by the end of the third and the boys were able to start the fourth full of run and eventually seeing themselves up by 3 goals early in the fourth. Macleod were always going to come and they were peppering the goals all quarter. Unfortunately through a spectacular pack mark late in the quarter Macleod were able to hit the front and with the boys trying their hardest to get the ball up the other end of the ground we were unable to trouble the scorers and eventually it resulted in a 7 point loss. Overall it is obviously disappointing to lose but the boys were outstanding all day and they continued to play the right brand of football all the way until the very end. Next week is another opportunity and I am looking forward to seeing what we can deliver.

### Q5: Goal of the day

With the ball about 50 out from our goal in the first quarter Harry Livens tried to take the game on and get it into the forward line quickly but was under pressure. With the ball spilling out in that contest Harry followed up with a great second effort to tackle the Macleod player resulting in holding the ball. He then went back and slotted the set shot from 35 out on a slight angle to put us up 4 goals to 1 at the first break

### Q6: Play of the day

With the ball up for dispute in the middle of the ground Blizzard was able to get his hands above his head after gathering the ball to continue it moving our way. The ensuing 5 efforts to lay two tackles and put pressure on the opposition resulting in a foray forward leading to a stoppage inside our 50 showed the effort required for us to be playing at a competitive level all year

### Q7: Mark of the Day

With two of Macleod's players lining up on the half forward line and moving the ball forward well Tom Oliver came 10 meters off his man to rise up and clunk a fantastic grab over both Macleod players. He didn't stop there however by immediately playing on and moving the ball forward well by foot.

### Q8: Top team player

Lachie Pont in his 100th game was asked to step and nullify the other teams best player who was giving them all of the run out of the half back line and by doing this we were able to get on top moving forward. While Lachie may not have had 40 touches his role allowed the team to succeed throughout the day leading to us almost getting over the line.

### Q9: Completed by Coach

# Love Pollo Youth Girls

Coach – Kim Ledger

Our Youth Girls had a BYE this week so they enjoyed a get together at their Team Manager's house instead – nice!
