Ashy Gala Night – May 27

It's the talk around the Club and tickets are selling fast for the Ashy Gala Night to be held at Taxi Riverside, Federation Square. Put on your dancing shoes and cocktail dress and enjoy an evening of fun on the picturesque Yarra River. Based on member feedback from last year, you told us that the 'Ashy Ball' needed to be revamped so we've listened and booked a modern venue in the CBD with a better quality beverage list and a greater opportunity to socialise in a cocktail format.

We need to finalise numbers by Saturday 20th of May so be quick!

Q2: Match Review Summary

A tough game on a cold morning for the lads this week! We were up against the Kew Comets and they played a strong brand of footy with lots of playing-on. The Ashy lads equipped themselves well against some bigger bodies. Special mentions this week to James O in the midfield - regularly getting the ball out of heavy traffic to teammates in better positions - Tom N, a lovely pass on the quarter time siren to Oscar K in the goal square, Hayden E and Charlie D combining neatly in the backline, James B and Jack N combining in the forward line, Tom de B with some lovely long kick-ins from full back, Lachie a very brave attempt to

mark at CHB, and Angus Mc some gutsy tackles. Well done to all the lads!

Q3: Best players

Q2: Match Review Summary

Playing back at Burwood Reserve this week, we were up against the Kew Comets. Skillful kicking, overhead marking and lots of tackling were all on display in another great team effort from the boys. Congratulations to Thomas on captaining the team this week.

Q3: Best players

Tyler was awarded the opposition medal after playing 4 very consistent quarters and involving his teammates whenever he could. Ned too received an award for a great effort all game.

Q4: Goal Kickers

Hugh snapped a couple of great goals during the second quarter.

Q5: Goal of the day

Our first goal, it was that quick I didn't see who kicked it !!

Q6: Play of the day

Ned Worthley jumped up very quickly and played on after a heavy accidental bump which would've keep some of the parents down.

Q7: Mark of the Day

Ned took a strong overhead mark in the second quarter as a pack of players descended upon him.

Q8: Top team player

Tyler, always encourages his team mates.

Q2: Match Review Summary

After another slow start, Ashy U8's Reds clawed their way back into the game with another great display of effort and pressure. Their teamwork across all lines was rewarded with multiple goals in the 2nd, 3rd and 4th quarters after being held scoreless in the 1st. A credit to their "never give up" attitude

Q3: Best players

1. Brady Shipton 2. Lachie McLisky 3. Lachie Pietsch 4. Sam Gillard 5. Ollie Tesoiero

Q4: Goal Kickers

Lachie Pietsch Sam Gillard Ollie Tesoiero Ned Sutherland Will Brasch Judd Pietsch

Q5: Goal of the day

Team effort emanating from full back. Lachie McLisky attacked a loose ball clearing the area to space on the wing. The ball was picked up by Brady who evaded his opponent before centering the ball to our big Centre Half Forward Leo Zvirbulis. Leo made a great contest bringing the ball to ground where Ollie Tesoiero crumbed and snapped a magnificent goal.

Q6: Play of the day

Brady Shipton (aka the tackling machine). Brady's middle name must be 'effort'. The second and third efforts he continually made all day was a highlight of the game. His stand out moment was when he brought down a player running at full speed in a perfectly executed tackle (perhaps even a game changing tackle) was very special indeed

Q7: Mark of the Day

Cooper Pescke- running back with the flight of the ball, Cooper showed no fear take a great mark against the tide of oncoming opponents.

Q8: Top team player

Lachie Pietsch - Following the coaches instructions, Lachie willed himself to many a contest to help his team and win the ball. Although known for his outside running ability, it was his contested possession that help get the team back into the game in the second and third terms. An honourable mention and special thanks goes out to Matt Davies (our teamsponsor) for the great team photos as well.

Q2: Match Review Summary

A great game - a real team effort from everyone. Throughout the game we consistently, tried to get to the ball first and rip it out of the pack with speed and strength, move the ball quickly up the field, tried to pass the ball to our teammates and when the other team got the ball we chased hard and tackled. We also got our huddle kick-in from full-back to work for the first time in a match and the players involved made it work brilliantly - well done. Finally - welcome to Lucas A for his first game with our team this week and particularly well done in your last quarter with some great chases and tackles.

Q3: Best players

Choosing best players is really hard without mentioning the whole team but these guys were best at being tough and strong, getting into the pack and ripping the ball out which is what we asked for at the start of the game. Matt, Ashton, Will W, Lucas S, Luke D, Max, Luke S, Will T

Q6: Play of the day

I wanted to call out two pieces of play - both which happened in our backline. We have to mention the huddle kick in, and in particular, one instance where Ashton took the kick in and as we've practised the back group all quickly huddled at half-back. Ashton held up the ball and the 3 backline players spread immediately at top speed towards the boundary lines. Ashton, waited to see who was most clear and then correctly selected Khri as the best option, kicking a good long kick in his direction. What was best of all was that Ashton then ran out from the goals to help his teammate Khri, receiving a handball back from him and driving the ball into the midfield with a long kick and getting the ball out of defence cleanly and quickly. Another great piece of play was performed by Joshy and E.J. who both chased down a Comets player who had picked up the ball on the far flank and had begun to run towards goal. They both performed perfect tackles at the same time on the Comets player and the ball was knocked clear allowing Luke D to pick up the ball. He kicked a perfect kick to Will W who also quickly moved the ball on into the forward line and resulting in a goal to our team but most

importantly caused by the great tackles and fast movement performed by Joshy, E.J. and Luke D in our backline.

Q7: Mark of the Day

Noah was another great performer particularly, in our backline where he reads the play really well. This week in the first quarter Noah positioned himself perfectly a kick behind the play, so when one of the Comets kicked quickly, without looking, into their forward line, Noah was ready and perfectly positioned to get the ball. He then took a strong, one-grab, clean mark high above his head - stopping their movement towards their goals and getting the ball going back our way.

Q8: Top team player

This player worked really hard to do what the coaches asked before the start of the game. He ran really hard all day to try to get to the ball first and then was really tough in the packs, ripping the ball away from his opponents and then running away with the ball to kick or handball on to his teammates. He copped a knock on his head in the third quarter as part of his tough tackling but bravely played on to continue chasing the ball and his opponents. Great work Lucas S - you're our top team player this week.

Q2: Match Review Summary

We played really well today and worked together as a team against a tough opponent. We did some great tackles, marks, kicks and passes and are still working on those don't argues. Terrific team spirit and great effort all around!

Q3: Best players

Will McKenna played four solid quarters and deserved his medal. Well done also to Josh Wilson for demonstrating excellent sportsmanship by going to shake hands with Canterbury's coach after the game.

Q4: Goal Kickers

We think it was #2 and Josh and/or Lachie? (Sorry, we're still learning names and numbers!)

Q5: Goal of the day

First goal by Josh (we think).

Q6: Play of the day

We had a number of great plays! Max Signorelli played a superb game of footy today with some wonderful kicks and at least one point scored. We had some excellent defense too, with good tackles performed by many, including Sam Hoy, James (#18), Lachie (#23) and Lachie Fraser. William took a terrific mark in the first quarter.

Q7: Mark of the Day

Jack Gebka Reid took a wonderful mark that blew me away - that wonderful mark in the back line, half way through the third quarter.

Q2: Match Review Summary

This week we took on Camberwell Sharks and for the first time we had dual Captains. The Bomber boys Aidan and Jonty had the honours this week of leading the team and did a fine job, they just need to work on the Dyson Heppell hairstyle..... The Sharks were a player down so showing some great sportsmanship some of our boys helped them out, Justin tore us apart kicking 3 goals against us in a

fantastic display of silky skills, while Jonathon saved many goals playing in the backline..... AK once again weaved his way through the opposition and is fast becoming the modern day Peter Daicos, snagging yet another great goal while Sam gripped everything that went near him in his "secret weapon" gloves. The ground was a bit bigger than our usual size which allowed us to practice our running to space and calling,

which is coming along nicely..... By half time our pressure on the ball was paying dividends, however in the third quarter the sharks were well on top (with Justin's help) which had the boys coming nervously into the 3 quarter time huddle..... They needn't have worried as in the final quarter it all came together and there was some great team work and finishing goals.....

Q3: Best players

Shawy's award ceremony was a little hoarse this week but I think this is how it played out: 50 cent showing the candy – Cooper Hodge..... Kit Kat – kick of the day – Patrick Byrne..... Twix Tackle – Luke Mariadason..... The boost award – Jack Spowart, he got so many touches this week the statisticians could not keep up.....

Q5: Goal of the day

Freddo Goal(s) of the day – Charles Webb, he was unstoppable in his stint up forward with 3 goals in the quarter

Q6: Play of the day

And of course the marvelous moment had to go to Justin for playing so well helping out the sharks.....

Q2: Match Review Summary

Well what a great game today, I am just so pleased to see how the boys are putting into practice what they have been learning at training. The teamwork was exceptional today with the boys leading along the wing and then bringing through to the hotspot. The desire and the tenacity for the ball is brilliant and the tackling is fierce. I know we are not scoring, however I am pretty sure we may have won the game with 7 goals being scored today. Given it was a real team game today there were plenty of great passages of play from many players, the combination of kicks from Ruairi, Jordan R and James in the 2nd to take it out of the back line was great. Jordan D with an overhead grab, pass to Harvey back to Jordan to result in a goal was fantastic. I also asked Jordan D to run at the ball the same as he did in the 1st game and he did just that. The kicking along the wing was fantastic by many players, Harvey, James Harris, Luca M, and Lachie D. The overhead marks today were brilliant, James Hough with an overhead grab and then kick to the hotspot in the 2nd was great, I also asked James to stick on his player in the backline today and he stuck on them like glue all day. Other mentions for overhead grabs Oscar, James Harris, Luca M, Torben, Lachie D, Mason, Lachie B, Harvey also took a great chest mark under pressure in the 4th. A few mentions of boys hitting the hotspot today, Harvey, Jordan D, Oscar, Torben, Jordan R and James Harris. Now I have to give some mentions on tackling, just fierce, I think the other teams should be concerned about how we tackle, it's just getting better and better, James Harris in the backline to save a goal in the 2nd quarter, Mason with hard tackles all day especially in the centre, Oscar and Torben with a combo tackle in the centre was not letting the opposition get away, Jordan T tackling hard in the

2nd for his first game, well done Jordan. Andrew in the 3rd with a great tackle in the centre to stop the play, Maks in the 1st and the 4th in the centre stopping the ball moving forward from the opposition. I also have to make a special mention for a very brave smother in the 4th quarter by Luca C in the backline. Some brilliant runs down the wing and around full forward, James Harris with a number of runs down the wing, Ben P was all over it in the forward line in the 4th with a great run resulting in a goal. Luca M had a number of great plays down the wing throughout the game. Some great goals today from Harvey, Jordan D, Torben, James Harris and Ben P, Charbel was a bit stiff in the second with a big kick for goal it just didn't quite get there, but a great leg. As you can see everyone had a great game today it was a brilliant team effort, well done boys and thank you.

Q2: Match Review Summary

Round 3, 2017. Ashy 10.7 (67) d Ivanhoe 4.4 (28). For the third week in a row, the Ashy Redbacks hosted proceedings at home against quality opposition, traditional rivals Ivanhoe. In biting wind and threatening rain, the build-up was intense. Team manager Nick "Captain Clipboard" Adams flooded parents with a pre-match sideline instruction sheet that resembled the Gettysburg Address in length and purpose before subjecting the players to a prolonged clubroom calisthenic warm-up that lasted longer than the Battle of Stalingrad. Clipboard's efforts were however a worthwhile distraction from the ongoing challenge to new coach, Peter "Mumbles" Martin who once again struggled to find a reserved carpark for his modified and lowered HD Holden Special XR ute, nearly running late for the match. Skippers for the day were Lucky Luca Dal Pozzo and Teddy 'Eddie Betts' Hall who called correctly to take advantage of a stiff breeze on Burwood Upper. The leaders led well as did the new recruits, the irrespressible twins Alex and Christian B; Owen 'Wonder' Worthley; Anthony Costa Packet; and Doantony Boulter. Goals flowed quickly from Rowdy Reid, Alex B; Good News Goodwin; The Professor George Adams; Lofty Louis Jones and the Masterpiece, Paddy Harmon. By half time, coach Mumbles Martin was applauding the boys for 'playing footy with your heads' and teaming well - the Anvil Angus MacMillan coming into his own with some solid body work; The B-Double Jonny Branagan baulking an opponent; and The Postman Jack Urquhart saving a certain

goal with a fine mark on the goal-line. The second half ended up as a great contest, Ivanhoe working hard and in the game right to the end. Well played by both teams.

Q3: Best players

Q4: Goal Kickers

Alex B 2.1; Jones 2.0; Harmon 2.0; Reid 1.1; Goodwin 1.1; Urquhart 1.1; Adams 1.0; Costa 0.1; Hall 0.1; Playne 0.1

Q5: Goal of the day

Louis Jones, Q3 after a prolonged stalemate, broke the shackles, shifted left; turned right; back to his left and through the middle from 30+. The game breaker.

Q6: Play of the day

Teddy Hall Q4; marking 40 metres out; AGAINST the breeze; sizes up the situation; ignores several leads; pulls socks up; puts mouthguard in sock; walks back; asks umpire how long left; tucks in jumper; twirls the ball; and has a set shot. Pure theatre.

Q7: Mark of the Day

Ashy 7.10.52 v Kew Comets 2.3.15

Q2: Match Review Summary

Big game at Victoria Park Kew against Kew Comets the team we played in the lightning premiership final last year. It was a tight tussle in the first half with scores of 2 goals to 1 in favour of Ashy at half time. Kew dominated the play in the first half of the third quarter with their big boys delivering some crunching tackles and a bit more. To the credit of our boys they focused on getting there HEADS OVER THE BALL and were rewarded with there attack on the ball and went on to kick 5 goals 5 behinds to 1 goal 1 behind in the last 1.5 quarters. A very physical game, but coaches and parents were very pleased with the way the boys played the ball.

Q3: Best players

Q5: Goal of the day

Both last quarter goals up the hill and into the breeze. One by Jibber McLisky with a snap around his body and the other from Emerson Hodder from a rebounding kick by Emerson that came back to him as he repositioned himself on the edge of the half forward line, which had him run onto the ball, balk one player and launch a bomb.

Q6: Play of the day

Turning point in the third quarter that had Zach at CHB put his head over the ball, turn his body into the players, get a handball out to Kai, with a handball to Jibber and kick to Lucas

Ashy 6.8.44 v Fitzroy 2.9.21

Q2: Match Review Summary

This weekend the boys were presented with yet another challenge in the brown division against Fitzroy. After a warmup focused on their specific areas of the field and a rowdy fire up from the coaches, the boys took their positions ready to give this game a red hot crack. During the first half the boys applied constant pressure and relentless attack on the sherrin resulting in our first half time lead of the entire season. Wheels, Archie W, Riley E, Matty and Sammy J all managed to kick goals for us as our defense and midfield stayed tight on their man as we have been enforcing in training. As the final siren sounded the boys couldn't have been happier as we came out on top for the first time this season. All the boys gave Sundays game their best shot and it payed off, well done Ashy! Ashburton Redbacks 6 8 44 Fitzroy Lions 2 9 21

Q3: Best players

Wheels, Matt, Mack, Archie W, Marcus, Hugo, Riley E

Q4: Goal Kickers

Wheels, Archie W, Matt, Riley E

Q5: Goal of the day

Goal of the day goes to Matt for his goal in the third quarter. In classic matt fashion he ducked and weaved through a pack at our arch and snapped the ball straight through the big sticks!

Q6: Play of the day

This week the play of the day started from the defensive goal square. Brocky roosted the footy down the wing from a kickout, Mack went on to rove the ball and get the clean handball to Wheels. Wheels went on to sprint down the wing while handballing the sherrin over the top of opposition players and catching it, twice! This play got the footy into our forward line and resuted in Sammy scoring a goal.

Q7: Mark of the Day

Mark of the day goes to Sam Bav for taking a contested mark against 3 opposition players on the arch of our forward line. Sadly the siren went as he took the mark but it was a promising set of for a goal.

Ashy 4.6.30 v Canterbury 2.4.16

Q2: Match Review Summary

The Frencham Red U11's had another hard fought win 4.6.30 - 2.4.16 vs the Canterbury Cobras. The game was played in a strong wind and our boys really worked hard to adhere to the coaches instruction to play in front, tackle hard and have fun. The Canterbury Cobras were very determined to challenge our boys, but playing the "Ashy" way, they were up to the challenge. As they've proven in all the games so far this year they have 21 contributors and playing team football is not only fun, but makes them a formidable team.

Ashy 16.14.110 v Kew Comets 7.10.52

Q2: Match Review Summary

In the Lightning Premiership last season, Kew Comets kicked the first (and only) goal against us, so we were determined despite their recent reverses to come out strong. Again, short of numbers this time, sickness and injury, we fielded 17. The first quarter began at a reasonably sedate pace, we struggled getting first use out of the centre bounce but comeback kid Harry Ritchie set Burwood alight with a double, first a booming set shot, followed by a tumbling goal on the run. Bens banana had us in ahead by just over 3 goals but not quite as fluid as we had hoped. The second quarter was more like us. James had hustled his way creating chances for others in the first but was not to be denied picking up a couple including a great snap on the run. Our mids grew in confidence with Hugh and Angus locking up the edge of the 50, Rylan and Luke just inside 50 and Danny doing the ugly stuff. Hugh, Rylan and Will added goals to head in well ahead as the rain came down. For the third, we shifted most of the frozen backs up forward and swung the forwards back, but we kept coming James got another double, earning the nickname Plugger from our most excellent runner and Charlie got in on the act grabbing a couple. This was our best quarter of the season so far. Relentless, merciless and ruthless footy. Our boys just didn't let up. In the last we naturally relaxed but still added goals through Alex, Benji and another from Charlie. An excellent performance overall, and while we will play better teams, I was delighted with how we lowered our eyes and looked for

the pass into the 50. Now just to work on executing it consistently and we will more terrific mornings like this. Final score 16-14-110 v 1-0-6.

Q5: Goal of the day

For sheer skill it would be Ben 'Eddie Bens, Porteous delightful banana in the first.

Q6: Play of the day

Spencer picks it up in the defensive 50, pauses, sidesteps and an attacking hand pass out to Dylan who stabs it forward to the lung bursting Angus. He runs, bounces and thumps into 50 where James swings onto the loose ball and clubs it home from 25 metres. Crowd goes wild!

Q7: Mark of the Day

Angus had a few crackers and hard to pick which one was the best.

Q8: Top team player

Too many, Best on the day was Rylan, closely run by Hugh, Angus and Aidan, with Danny thumping the tackles and bumps into the big guys again and Harry, James and Charlie bagging ten between them.

Ashy 15.12.102 v St Damians 0.0.0

Q2: Match Review Summary

4 very attacking quarters, where our boys controlled and dictated the play. An impressive start to finish effort. Particular emphasis at Fridays training to ensure midfield / ruck structures, certainly seemed to have helped. Our various ruck options did a fantastic job, winning approx. 65 to 70% tap outs, with highly efficient use of the ball by our mid field groups at ground level. Our attack from mids into the forward 50, was relentless. Either by hand or by foot. Use of outside run, opened up many forward marking options. Good leading into space by our forwards early, however as the game developed, our forward 50 became congested, and this restricted impact from good leads. Ground level ball use however in the second half, maintained momentum and pressure. Successfully able to lock ball inside forward 50 and

sustain pressure. Defensively across half back, like a wall. Good rebound from this line, quick transitions into attack. Deep backs not tested. Overall really pleased with the shared effort, and the consistent effort over the whole game. Also many smart, and composed passages of play, kicking or hand balling to loose options or to better attacking positions. Message to the team.....Well done, lets all continue, and strive to improve our team game. Every game is a new challenge. Scores were Ashburton 15.12.102 Parade St Damians 0.0.0

Q8: Top team player

Top team player awarded to Angus Kenny. He showed great composure when pushed wide and deep, in particular forward pockets, to bring the ball back to set up fantastic scoring opportunities, from otherwise difficult positions, or low percentage scoring positions. His ability to quickly evaluate, act, and execute with superb kicking skill, earns him this recognition. Didn't blaze away. Fantastic.

Ashy 2.3.15 v Camberwell 9.11.65

Q2: Match Review Summary

This week saw Ashy Green come up against Camberwell Sharks. Co-Captain and CHF Harry Stack set the scene reiterating the things we were working on as a team; strong leads, run hard, man up. The first quarter was a tough affair with Ashy Green kicking against a strong wind. Camberwell showed their skill with an early goal, despite some excellent backline play from Charlie Matthews, James Edgar and Flynn Kenny. Our midfield of Thomas Voller, Kieran Peck, Charlie Nancarrow and Ollie Hobday worked hard and matched it with the Camberwell side. Our forwards and wings kept their structure which was pleasing to see. Zack Thurman provided great drive forward with his run and long kicks, linking well with Leigh Bouyoukas who was providing some strong leads. The hard worked paid off with Zack kicking a great team goal. In the second quarter the good play from Ashy continued with Robbie Cliff, Flynn and Charlie N continued their strong play in the backline. Angus McCleery, James and Elijah Bazley tackled hard, while Harry, Leigh and Benj Mitchell provided a good target up forward. Unfortunately we didn't capitalise on kicking with the wind, and Camberwell did well to kick a couple of goals against the wind. Co-captain Kieran Peck's short and to the point message got the team going for the second half. Kicking with the wind, Camberwell scored a couple of unanswered goals in the third quarter. Charlie M took an impressive mark in the backline, helping out to cover a teammates man. Zack, Ryan Edmonds, Harry and Benj all combined well to have a shot on goal. While Charlie N and Robbie continued their tough tackling. While we were behind at the last change we fought hard to tie the last quarter. Benj

playing at full-back did a good job. While Zack took a heavy knock for the team in defence, and kicked an inspirational goal up forward moments later. While Camberwell came out winners on the day, the Ashy boys fought the game out really well. Their effort was outstanding, and it was really pleasing to see the work they have been doing on leading and kicking to targets start to pay off.

Q3: Best players

Kieran Peck, Charlie Nancarrow, Charlie Matthews, Zack Thurman, Robbie Cliff, Angus McCleery

Q4: Goal Kickers

Zack Thurman - 2

Q5: Goal of the day

Zack Thurman taking a big knock in our backline late in the last quarter, then showing great courage by getting up and running forward to gather and kick a fantastic goal. A great team-lifting goal.

Q6: Play of the day

Zack Thurman passing to Ryan Edmonds on the wing, who got it forward to enable Harry Stack to gather the ball and pass to Benj Mitchell on the lead.

Q7: Mark of the Day

Leigh Bouyoukas leading hard up to take a strong mark on the half forward flank to give us an important forward entry.

Q8: Top team player

Robbie Cliff for strong, uncompromising backline play all day. Strong tackling and ability to win the ball stopped numerous Camberwell Sharks goals.

Ashy 7.5.47 v Kew Comets 3.5.23

Q2: Match Review Summary

The Ashy Red U/12's made it three in a row with a wonderful win against last years Gold premiers, Kew Comets at the jewel of Glen Iris, Ferndale Park! With Will Hearn failing a late fitness test after a trampoline mishap, our boys started the game really switched on with the backline of Lasscock, Whitey, Gossy and Noah holding firm. The teams could not be split with the scores level at the first break. The boys gained a lot of confidence from that first quarter and piled on 4 unanswered goals with fast ball movement and pressure right across the ground. Jake kicked his first goal for the club and it was wonderful to see the reaction from his teammates. The term set up the victory with Kew coming hard again in the third before we steadied again. In the end we ran out 4 goal victors in a fantastic performance with Nick Francis deservedly receiving the BOG medal from Kew. Final scores Ashy 7.5.47 to Kew 3.5.23

Kew Rovers 9.14.68 v Ashy 3.1.19

Q2: Match Review Summary

KEW CARNAGE! Ashburton V Kew Rovers, Stradbroke Park. This week, Ashy took on traditional rivals, the Kew Rovers, at their feared home ground, the "Roverdome" at Stradbroke Park. The Kew Rovers Junior Football Club was founded in 1971, becoming one of the power house junior teams in the 1980s, producing players such as James 'The Freak' Morrissey (Haw), Rod 'Rocket' Owen (St Kilda et al) and a young Pat Cash (U11s 1976). From the onset, the Rovers leapt ahead in the stats where it counted, providing not only café style umbrellas, tables and chairs as part of its canteen offerings, but also 'Famous' South Melbourne Dim Sims, created in 1949 by the late Ken Cheng at the South Melbourne Market. In the rooms, special guest Coach Gary 'Bomber' Bennett welcomed Preston 'The Bull Ant' Burns to the Ashy Blacks and the team headed out and into a strong south westerly gale. Lead by Captain Joel 'Mopsy' McMahan

onto the vast Straddy oval, the game began with some very strongly contested footy with both sides matching each other well without score for the first half. Then Joel 'Buster' Bennett kicked a long bomb that flew over startled Ashy and Kew players alike and cleared the centre posts for the first goal of the game. Billy 'the Butcher' Branagan maintained good close action footy along with Leesh 'the Beast' Navaneetharaja who ran a magnificent chase down and tackle. The skies opened up, the rain came down and the fairly convivial crowd scattered to seek shelter under the café umbrellas. Undaunted by diminishing spectator numbers, Kew pushed forward scoring a point and then their first goal. They quickly followed up with another goal on the siren, which in this case, was a double whistle blast by the Kew Rovers' time keeper (the club's siren having been sabotaged by Straddy Park co-tenants, Old Xavier, in the previous evening's Club Pie Night). Q1. Ashy 1.0. (6) to Kew 2.3. (15) At the first break, Coach Gary drew upon his detailed

meteorological background as a young regional television weather presenter in the late 90s, encouraging the boys to consider both the wet conditions impact on ball handling, both the direction and strength of the wind and the rising daytime temperature. As the teams took the field again, pleasing aromas wafted across from the canteen as the 'Famous' South Melbourne Dim Sims warmed up. The rain began to let up, but replacing it was a downpour of Kew points, six in total as they put the Ashy defence under immense pressure. Shining through was Jim 'Big Show' McCarthy (wisely moved by Coach Gary to full back), Joel 'Mopsy' McMahan tackling fiercely and Oscar Boulter punching out a certain goal. Dane Jacotine unleashed a great kick for goal only for it to graze the paint on the goal post under the unforgiving windy conditions of the day. The Butcher took bouncing the ball in the wet to new levels and raced clear up into Ashy's forward line only to be dashed the piercing double substitute whistle. Q2. Ashy 1.1. (7) to Kew 2.9. (21) 'Famous' Dim Sims sampled, the game began again with some tight contests before Kew broke out with a goal 2 minutes into the Quarter and then sent in another 2 in rapid succession. The Ashy boys persisted, slogging on and a successful tap on, got the ball through to Joel Tyquin who took two fantastic bounces running in to kick a great goal, one which Joel's Dad was only too happy to wave the somewhat soggy white flags for. Sparked on by their second goal, Ashy pushed forward again, Cameron 'The Boss' Ross taking a mark and sending the ball again into Ashy's forward line as once again, another two haunting blasts of the stand-in time keeper's whistle ended the Quarter. Q3: Ashy 2. 1. (13) to Kew 5. 11. (41) Making most of Coach Gary's half time instructions redundant the sun emerged and the wind dropped as Aiden 'the Velvet Axe' Shinnick went into the ruck, the Butcher again taking runs into the forward area for Ashy and Jai 'The Raptor' made good use of the body before Preston 'Bull Ant' Burns was able to claim the ball and goal truly for Ashy's 3rd goal. Stung into action, Kew responded swiftly with a goal and as the wind picked up again, stacked on the major scores. Joel 'Buster' Bennett and Leesh the Beast pushed back but the rampaging Rovers were

relentless, stopped only by the piercing 2 whistle blasts. Reflecting on a tough game, Coach Gary was happy with the boys' persistence and they were consoled by some lolly snakes, well done Ashy! As the departing players and parents meandered home, your correspondent felt a surge of pride stirring from within, but maybe it was just minor indigestion from too many 'Famous' South Melbourne Market Dim Sims. Final Score: Ashy 3. 1. (19) to Kew 9. 12. (66)

Q6: Play of the day

Coach Gary's half time address was interrupted by the sudden collapse of a rub down bunch sending several Ashy players and orange quarters flying (suggesting yet further antics by the Old Xavs the night before). The cat-like reactions of the previously seated Ashy boys avoided certain injuries and a potential setback that could have affected the team for weeks.

Q7: Mark of the Day

In the midst of a Kew goal kicking onslaught in the Second Quarter, Joel 'Buster' Bennett took two solid marks in defense in under a minute that held the rampaging Rovers temporarily at bay.

The girls played hard and very well on a large field in sometimes wet conditions, enabling us to achieve our first win for the season well done to all. The girls all listen to Nat's brilliant work running on and off the field moving and keeping the girls in position. We could see many of the tackling drills we did at training working well with all girls having a go and in many cases dragging a lot larger Surrey Park players down and holding them down. Once again the game was full of many highlights, I'm always reluctant to call them out as

each and every one of the girls was a star. We had 3 first time players Amy, Lucy & Abbey you all did a great job topped off with Lucy kicking a goal in her very first game for Ashley. Jasmine's work effort was once again outstanding playing on the ball and across half the back all game topped off by kicking 2 goals and recognised by Surrey Park team as player of the game, Georgie also kicked a brilliant goal. Isabella, Edwina, Ava and Abi all took brilliant marks under pressure. Sophie P was in the think of it all game along with Rosie, Katie, Alannah, Orla, Jennifer tackling their hearts out. This week our boys feel short against a determined Heidelberg outfit. Our opposition had previously played in the last two Gold Grand Finals, winning one of them. It was a great test for the boys but we played catch up footy after being led to the ball for most of the first half. We came away a few goals short and with just a few minutes left on the clock, we only trailed by 12 pts. The sides trademark of "not looking at the scoreboard" assisted the teams mental approach again and we just need to lick our wounds and bounce back against The Comets, next week.

Ashy 14.7.91 v Surrey Park 2.7.19

Q2: Match Review Summary

For the second time in two weeks we saw ourselves kicking against the wind. This time against Surrey Park who were nice enough last season to kick start our year by beating us by 120 points. We are a different team this year and we were hoping to change the result markedly. The game didn't start as we intended. While Eddie Georgelin was winning the tap, they were getting the clearances and their number 29 continued to drive the ball into their forward line. Tom Prior, Dom O'Leary, Harrison Boothey, Nikita Politis, Peter Bohan, Cal Anderson, Cam Serpell and Will Byrne-Jones were doing a brilliant job not only stopping them from scoring goals but putting pressure on them when they had shots. The midfield in Lachie Irwin, Arten Walker, Harry Mounas and Steve Moffat were working hard to get into the game but found the going tough with their quick and efficient movement of the ball. Quarter time saw the score line read 0.1.1 to 1.6.12 The second quarter saw the game plan click in to gear. Jamie Torey was moved in to the middle and they started getting first use of the ball. When Surrey got the ball, Moffat had started playing his role as a rebounding winger to great effect which saw multiple entries to our forward line. With Irwin now back at centre half forward, the opposition found it very hard to stop the likes of Will Drew, Anderson, Jackson Hribar and the debutant Aiden Robertson coming in to the game as we peppered the goals, albeit, not from the areas that we wanted to. We were lucky though, the opposition moved number 29 to Centre Half Forward which was great for us as Bohan was never going to let him get a kick and a kick he didn't get. The coaching staff asked for a renewed commitment from the playing group and in particular Drew who responded as we hoped and he started controlling the half forward line since we, as a group, ran around in the first quarter watching the play rather than making it and we also didn't have to look any further than the debutant Robertson right on the half time break as he made the ball his focus to have an accidental bump at the contest with their biggest player. This then set the tone both for how our boys viewed our new player and it sent a strong message on how the last half was going to be played. What a great statement. Half time score read 4.5.29 to 1.6.12. The inaccurate kicking was due to where we were taking shots from. The third quarter in to the wind was always going to be a test but the game continued where we left off. Will Smith was moved to the wing and ran forward beautifully to culminate in a mark and goal, Georgelin was replaced in the ruck by Irwin who was

winning the ruck hit outs and getting a heap of the ball, Torey/Mounas/Walker/Moffat were all controlling the ball around the ground, Luka McConchie (who got out of his sick bed to stand at full forward and Georgelin moved to the forward line really lifted and scored goals but it was the move of Prior to the forward line which really set things alight. His playmaking and creative work saw him time and time again not only grab the contested ball and create space but saw him hit numerous people on the chest in better positions to score goals and was the primary reason that we kicked so accurately. Three quarter time score 8.5.53 to 2.7.19 The last quarter was all Ashy, Hribar and Boothey in to the middle sparked some fresh legs as they found plenty of the ball while McLean and Byrne Jones went on a rampage in the forward line. The other onballers were all moving well and Georgelin continued to dominate around the ground. Not only was Georgelin dominating the ruck but around the ground he was taking marks and had plenty of disposals, add to that Irwins game and Torey rucking in the forward line and then we really had the game on a string with no better example than Torey's hit out earlier straight to Drew running past for an easy goal. We really threw the side around in that last quarter and the boys responded giving us a lot flexibility through their positions in readiness for next week. Well done. Final Score 14.7.91 to 2.7.19 We kicked 10 goals 2 after half time which was a very pleasing result.

Heading into the game down on numbers the boys knew that it was going to be a difficult task but were able to come out and show a top 3 contender that they were in for a game.

Kicking against the breeze to start the game we had all the play kicking the first goal (from first gamer James Ritchie) and making Surrey Park realise they were in for a fight.

Unfortunately in the second quarter however the boys had one of those quarters that made the game pretty much over with Surrey kicking 4 goals against the breeze to be up 8 goals to 1 at the major change. To the boys credit their second half was probably the best one that they had all year with the combative manic pressure that was asked for at quarter time being displayed by everyone in the team. With the last quarter being capped off by a soccer goal from Tom Briggs and a long bomb from the captain Steve the boys were able to prove they could take it up to the best when they really applied themselves mentally and defensively.

Q5: Goal of the day

With the game all but over Steve was able to mark the ball on the arc on the right hand side of the goals which we all thought it would mean a nice centring of the ball to the top of the square. However Steve was not only able to score the

goal he cleared the fence in one of the biggest kicks I have seen this year.

Q6: Play of the day

With the ball up for grabs on the wing and Surrey Park having the numbers fairly in their favour, Lachie Pont had no choice but to find a way to try and stop their run. He did so extremely well by avoiding a sheppard and then laying a bone crunching tackle that resulted in holding the ball and a great sign for the future of this club.

Q7: Mark of the Day

With Olly Moore picking the ball up and snapping it quickly on the boot down to the middle of the wing. Nathan Blizzard went back with courage never taking his eyes off the ball once and backing back into a pack of 4 players taking it on the chest to start a close to best on ground performance.

Q8: Top team player

Rob Ritson was given a job to play on the Vic Metro player that Surrey Park had after he dominated in the first quarter and after confusing the numbers up of which player he was meant to be on he was able to negate and make him work extremely hard for everything that he got. This kind of sacrifice for the team just goes to show the commitment to wanting the team to succeed and will help us in the long run for the rest of the year.

Ashy 18.15.123 v Richmond 4.6.30

Q2: Match Review Summary

On Sunday we played against an understrength Richmond team (11 players). To make it a fairer game we lent Richmond 3 players each quarter. Nonetheless we had a strong win 18.15 - 123 to 4.6 - 30. We got off to a quick start with 5 individual goal kickers in the 1st quarter. Having got Richmond's measure we settled down playing good sportsmanlike like football against the understrength Richmond. A big thanks to all 12 girls who helped Richmond out. They did it without complaint and played committed football whilst wearing the colours of both clubs. This resulted in a more enjoyable game for everyone. Overall the coaching staff are really pleased with the improvement all girls are making with each match day. Well done!

Q3: Best players

Alyssa, Gemma W, Vic, Bella, Ila, Jess M and Tayla

Q4: Goal Kickers

10 goal kickers. Ila, Alyssa, Bella, Vic, Jess, Gemma W, Liv, Ash and Cassie.

Q5: Goal of the day

Sorry but there were too many to choose from!

Q6: Play of the day

There was lots of great work being done across the ground. What was most impressive was the effectiveness and effort of all new recruits (playing only their 1st or 2nd game) who have settled very nicely into the team.

Q7: Mark of the Day

Refer to goal of the day.

Q8: Top team player

Ila Taylor played a solid all round team game. However, what impressed most was her decision making. Before kicking she made a conscious effort of looking around and assessing the best option.
