Q2: Match Review Summary

The rain held off and we had a lovely, sunny morning for this week's game. Our boys' spirits matched the weather - energetic, cheerful and hardworking in the match - well done lads. Special mentions this week to Tom N - another powerful display, Hayden E - lots of speedy running and driving the ball into our forward line, earning this week's b.o.g. medal, Angus Mc - a lovely spin and snapped goal to get the scoring started, Oscar K - following up with his own spin and snap over his shoulder goal two minutes later, James O - a tough tackle bringing down a player much bigger than him, James B tapping the ball off the ground like we practised in training, Lachie, Billy and Brad with their hard-running, Jack N another strong mark and goal. Special

mention also to Tom D and his trio in defence - first quartet to nail our huddle kick-in set play. First go was almost there, second attempt worked beautifully getting three lads running into space with Tom's long kick finding a target. Well done boys! All round great effort to all the lads!

Q5: Goal of the day

Big Tom N a barnstorming, powerhouse goal shrugging off three players. Angus a lovely spin and snap over his shoulder.

Q2: Match Review Summary

Back at home this week after last weeks round robin, we were up against the Camberwell Sharks. All of the skills were on display in what was our best team performance for the season thus far. Kicking to space, strong tackling, great marking and long goals were all a great feature. Keep up the great effort boys, we are improving every week.

Q3: Best players

Another great team effort, with special mentions to Harry H who won the opposition team medal and Seb and Xavier who won the footy card packs for strong defence all day

Q4: Goal Kickers

Tyler - 3 goals, Harry - 2 goals, Cooper - 1, Xavier - 1

Q5: Goal of the day

Harry kicked a long left foot goal from 50m (well... 25m)

Q6: Play of the day

There were a number great passages of play where the boys moved the ball from defence to attack for a shot on goal without the opposition touching the ball.

Q7: Mark of the Day

Thomas took a strong chest mark in a pack of 6 players at centre half forward. A great moment for our captain on the day.

Q8: Top team player

William Wickham took a number of great marks and was very accurate with his kicking in finding his team mates.

Q2: Match Review Summary

The SE Products Under 8 Reds made our way out to Glenferrie Oval at the adult-friendly timeslot of 10am - much appreciated given Gala commitments the night before. The boys knew they were up against tough opposition and under the watchful eye of the Michael Tuck stand, they came to play the Ashy way. Within a minute of starting Leaping Leo benefited from a chain of handballs, streamed into an open forward line and kicked our first major. The boys played great team footy, sharing it around with creative handball and setting up players in a better position to kick goals. Oli T had a hand in three goals. All the more important to give them away than kick them yourself implored the Coach! At half time we had played a great brand of footy and in the hypothetical event that a score had been kept, I suspect the Redback lads were a smidgeon in front. Then in the third quarter we lost our way a bit and stopped Hunting the Ball. We lost our tackle pressure. We stopped helping out our team mates. Coach Pietschy, mustering all he had left from 3 hours sleep, called on the boys to work for each other. And work they did, running all over the top of the young Hawthorn Citizens.

Q3: Best players

Lachie Pietsch took the medal after a fine display of Hunting the Ball and laying some great tackles. Given he almost had his head taken off the day before at Auskick, it was a fine comeback from young Pietschy! Oli D laid more tackles than Patty Cripps did that same afternoon and gave off lots of

handballs through the middle. Symesy was big for us again. Liam Burgher took marks and laid off plenty of handballs. Brady was tough at it as usual getting plenty of the ball. Braschy kicked a goal when we needed one. So did Gilly. Juddy did too. Coops got plenty of it as he does weekly taking some timely marks too. Leo was outstanding. Lenny showed his usual class and laid countless tackles. Oli T made a great comeback from injury and showed dash with a great run through the middle with two bounces and a big kick into the forward line.

Q4: Goal Kickers

There were quite a few.....

Q5: Goal of the day

Leo's opener was pretty good

Q6: Play of the day

A chain of handballs starting in the middle from Oli D, to Liam to Brady to Coops that resulted in a goal.

Q7: Mark of the Day

Brady Shipton took a hugely courageous pack mark backing back, squeezed between two Hawkers, that saved us a goal on the last line of defence.

Q8: Top team player

Oli D took the chicken and chips. A fearless little player who always sacrifices his own game for the team. His tackling and contested handball was a sight to see!

Q2: Match Review Summary

Our team focus this week was to make sure we always knew where our opposition players were, to get to the ball first, always kick and handball quickly and accurately to our teammates and when the other team had the ball, tackle, tackle, tackle! We started well and had a fairly even first quarter, with Hawthorn Citizens and ourselves both kicking goals. But after quarter time our tackle level really increased meaning Hawthorn Citizens couldn't get away from us and we began to dominate the game. Well done boys. A real full team effort.

Q3: Best players

Luke D, Luke S, Will T, Ashton, Max, Khri, Lucas A, Will W

Q6: Play of the day

It was again really hard to choose one stand-out play but the tackling after quarter time by everybody was fantastic. In the last quarter we put a challenge on the mid-field group (Luke S, Ashton, Will W and Ben), to see if they could stop the ball from going into the other team's forward line at all in the quarter, which they achieved – great effort. Sorry to our backline who didn't get to touch the ball once that quarter!!! Another awesome bit of play was performed by Lucas A. With the ball in a pack in the middle of the ground, a Hawthorn Citizens player tried to break away with the ball but

Lucas A performed a great tackle and the ball got knocked away. Another Hawthorn Citizens player then picked the ball up and began to run towards their forward line. Lucas A quickly took chase again and just as the player was about to kick long towards the Hawthorn Citizen goals, Lucas performed another ripping tackle, stopping the other team's movement of the ball forward and getting a free kick for a great chase and tackle. An awesome second effort and a great example of not letting anyone get past us or away from us.

Q7: Mark of the Day

There were two stand-out marks this week. One from Will T in the forward area running backwards with the flight of the ball and competing in the air with a Hawthorn Citizens player. The Hawthorn Citizens player was in a better position but Will wanted it more and ran backwards and took a gutsy mark in his hands basically wrenching it away from the opposition player. Another great mark was taken by Maxxy who was down in our defence and ran sideways to chase a

skied ball. With a player from the other team closing in from the opposite direction Max never took his eye off the ball and jumped up and grabbed the ball on his chest as the other player collected his feet sending him flying. But Max never let go of the ball, landing awkwardly but OK. Well done you two.

Q8: Top team player

Well done Lucas A for getting the opposition coaches award for your chase on the ball and the opposition players. Our top team player goes to someone who demonstrated what running hard to get to the ball first really means. Luke D got heaps of the ball this week simply because he ran harder than everyone else to get to the ball first. Both in his time in the midfield and in the last quarter in our forward line, he outran his opponents time after time, and then when he got the ball used it cleverly to get it to his teammates up the ground. Great running Luke.

Q2: Match Review Summary

Although a different experience for some, four hours, a cold start and the threat of rain certainly didn't deter the boys who played hard in all four 12 minute rounds and clearly enjoyed the day. Amongst the many highlights were the two spectacular marks by Lachie Morris and Max Signorelli and other great marks by Sammy H and the three James' - T, M and H. With one contested mark from Ollie and Xavier with their eyes closed!? Whilst goals were elusive the goal kickers were Sammy Hoy and Lachie Morris and those also peppering the goal square were Leo, Orlando, Jasper and Josh. Some great tackling including those by both Joshs and Lachie Frazer. Max was unlucky not to get a free for a high tackle but soon after showed his own tackling skill. The work rate for all the boys was high and size never seems to deter Sammy H and Max who are always found in the heat of the contest. Hard at the ball and plenty of touches were Will, Jack, Jappie, Alex Taylor and Leo, whilst Josh Murray showed his speed out of the pack and candy selling skill. Always plenty of contest around the ball by James H, Sam B, Lachie B, Lachie D, Lachie F and Lachie M, James M and Xavier whilst Alex used his height and skill to move through the pack. Well done to all the boys on a marathon day.

Q3: Best players

Everyone played well today but the best on ground was Jappy's Dad Tas for his beautiful scones and homemade raspberry Jam.

Q4: Goal Kickers

Main goal kickers were Sammy Hoy and Lachie Morris. Well done boys.

Q5: Goal of the day

Had to be Sammy's play on and long shot at goal that bounced through for the last 5 metres. The score review suggested it was touched 10 metres out but the score review was wrong! All clear, full points!!!

Q6: Play of the day

There was some great tackling and pressure but the play of the day was when we almost went coast to coast after a kick out. Our kicking and marking has improved significantly.

Q7: Mark of the Day

Lachie D took a ripper and so did Jack down back. We had plenty of screamers in the 4 hour marathon.

Q8: Top team player

Today it was hard to give this award. Maybe Wills sister Addison because she looked after Sam's brother Isaac all morning? Maybe Tas because of his cooking? But probably best to give it to the coach who came straight off night shift to coach us brilliantly all day.

Q2: Match Review Summary

Well...The Weather Gods shined on us for Tackers Round Robin extravaganza. Somehow we managed to play all 4 games without getting wet. Our set up was close to perfect, 3 gazebo's, full size BBQ, chairs, tables, footy card trade zone, overlooking our ground and right next to the Jumping Castle. What more could 8 year old's ask for!! The BBQ was sparked up just before the first game and gave the boys a great post match snack, in fact I think after all the games the boys added another sausage. **We need to thank Ashburton Meats for their sponsorship and make sure you let them know where you are from whenever you drop in.** It was fast and frenetic football with games only lasting 12 minutes and a 30 second half time break, which sent our normal Chocolate awards into meltdown, luckily with our new Cadbury sponsorship we had enough chocolates for all the boys to receive a reward. Added to that everyone got a footy from the day and the way they played they all deserved it. We had 3 solid wins and the team work is really starting to take shape.

Q3: Best players

Every team member provided a highlight of the day and in no particular order they were: •Jonny – best individual jumping castle effort. He even gave up playing 3 games to ensure he maximized his time on the castle!! •Cooper – for the biggest tackle of the day, fierce and strong, I'm glad I wasn't on the end of it. •Max M – so pleased to get his 4th game, then the first player to have to come off injured •AK – so pleased

when he managed to get a run for his 4th game after Max's injury only to be injured in the first 60 seconds with a huge wipeout. All ok in the end though. •Hamish – best mid fielder for the day. •Oliver – awesome captains goal in the third game – great leadership, when the team needed it •Jonty – able to complete the warm up handballs with a sausage in hand and then some great running to space during the games •Justin – best goal celebration and 2 great shepherds in a single play •Spencer – best vision and holding play until team mates had run to space •Sam – best piece of roving for the day •Charles – best ruck work.....you have a bit of an advantage here, and you are really finding your team mates with your taps now. •Patrick – best defender of the day •Will – best evader of tacklers.....let's hope they never work out you are left footed •Luke – great defensive pressure, rumour has it your water bottle was loaded with Gatorade? •Finn – best pressure chase of opposition. He did it all day. •Harry – the "never want to leave" award – he was still in the jumping castle as they were packing it up •Max T – Best lead of the day •Michael – The "Never Stops" award, we don't know where he gets all his energy from, he was later seen down at the club still kicking the footy •Jack – best mark •Aiden – best sportsmanship - for keeping his cool after the ball took a 90 degree deflection off his leg while being at full back, only to be given a goal by our very own Shawey. A great sign of good sportsmanship under pressure

Q2: Match Review Summary

It was the annual Round Robin for the boys today, so a brief summary for this week. The boys came out firing in the 1st game which was pleasing, it certainly was our best start to a game yet, the boys moved the ball around and we outscored the Camberwell 4 in game 1. In the 2nd game we played Hawthorn Citizens again as in previous weeks they moved the ball around well, we need to continue to work on tagging their players and keeping the pressure on. In the 3rd we certainly outplayed Surrey Park S with the boys playing tough football and dominating in the centre of the ground, they didn't have a chance. The boys lead well out of the backline and kicked to the hotspot resulting in a number of goals and points. Finally in the 4th we played a well drilled

team in Banyule G, a team we will have to be on our game to beat when we meet them next.

Q2: Match Review Summary

Ashy RB White played 4 Matches at Bulleen reserve on a overcast day during the U9s Sunday Carnival at Bulleen. Match 1 was against Kew colts where we more than held our own in a tight struggle. Both teams were well matched up and the 12 minute game was very tight from start to finish. Match 2 We played Camberwell, and our team hit its straps as we played a great game with all Ashy's having a red hot crack. Match 3 - V McCloud we met our Match and got little Overawed by the occasion. We held them for the 1st Half and then the flood gates opened and we found it hard to stick to our team rules. They were just too good. Game 4 - V Warrandyte. After a quick break we played our last game and finished on a high note putting our team rules into play and moving the ball to players in space. For me this was our

best match of the day and the kids took off having had a great day with a brand new footy under their arm.

Q2: Match Review Summary

Ashy 15.15 (105) d North Brunswick 1.0 (6) Icy conditions greeted our intrepid under 10 heroes as they lined up for traditional photos before taking on traditional rivals North Brunswick at Burwood Upper for Round 6. And as is the case with traditional club photo shoots, it was probably easier to get into a Schapelle Corby press conference than it was to access the makeshift Ashy studio. Head Coach Peter 'Mumbles' Martin returned in triumph after another successful interstate Ute Muster that earned him the coveted Silver Doughnut for his triple burnout fishtail in his lowered HD Sandman. But while away, the coaching suitors had been circling. Captain Clipboard Nick Adams had disposed of his tracksuit for a checked brown corduroy jacket that looked suspiciously like it had been handed down by legendary Melbourne coach Norm Smith after the 1955 Grand Final. In fact, Adams was so focused on security threats during the photo sessions that he set up a barrier of rubber orange bollards across the pre-match dressing room floor to keep out intruders. Another contender and one of Australia's leading public servants, heavy-hitting Paul 'Perks' Urquhart jetted in just in time after a week-long international postal 'conference' in the Maldives where he had given the main address (no pun). And as we branched out in budding conversations about other coaching options, new Ashy Dad Richard Playne revealed he had been at log-gerheads with

his local council protecting some heritage listed trees. Ironically, Playne's tree pleas were directed to Jason Boulter (ex Trinity*). And to top it all off, Paul "Cuddles" Harmon turned up on crutches in a show of solidarity with most of his family. While the bad news is that they have suffered every form of injury, the good news is that the Harmon family are major shareholders in ambulant mobility apparatus devices (ie crutches). But, we were here for the footy and once the siren went, the boys were away. In one of the most comprehensive performances, the Ashy line-up hit their straps from the start - a fired-up Jonny 'B Double' Branagan led the way with Lucky Luca Dal Pozzo, The Postman Jack Urquhart, "Delicate" Donantony Boulter, Jayden Rowdy Reid, the Bazouka Brothers Alex and Christian, Anthony Costa Packet, Good News Goodwin, Jumbo Playne and Lucas Leap of Faith Huggins right behind. By half time the Ashy boys had cleared away but that is when the visitors dug in and showed true fight. Despite being outnumbered, North Brunswick fought back and scored an incredible goal in the third to make a contest of it and pushed the home side. The efforts finally took their toll on the visitors but it was a tremendous performance all the same. Well done to both sides in cold tough conditions.

Q2: Match Review Summary

Banyule 8-8-56 Redbacks 4-4-28

An exciting and tough fought out game, the scoreboard did not reflect the efforts of the team and I look back as a game we could have won. The team came ready to play and did all the things we have been talking about the past few weeks. The backs stayed on their men, the huddle was done after each behind, with long kicks to the designate person executed with precision. The forward ran forward to give marking options and look to pass or kick to the hot spot, a four goal game was a great reward for the efforts. Midfield set up with the centre bounce formation we practiced and the first hand on the tap was used to our advantage. The boys responded to some set positions with other rotating in supporting roles, with limited number on bench, the team never stopped running all day and fought game out to the end. Exciting times ahead with our great team of kids.

Bundoora 25 def Ashy 20

Q2: Match Review Summary

Another trek away from home for the little fellas this week as they were confronted by Bundoora at their home ground. The boys burst onto the field through a banner for Archie W and Mack's 50th games. During the first half the boys displayed pressure like we have never seen before. As they tackled hard and contested hard we managed to snag 7 scoring shots to 3 with a goal from Riley E. A wave of chilliness engulfed the field in the second half as the boys continued their efforts to contest marks and run with the sherrin and managed to help Mack snag a goal during the third on his 50th game. As the final siren sounded, we couldn't manage to get over the line to victory as we came across a very evenly skilled team who just got the better of us in the end. Bundoora 4 1 25 Ashburton 2 8 20

Q3: Best players

Riley E, Mack, Cooper, Matty, Sam Bav, Archie W

Q4: Goal Kickers

Mack, Riley E

Q5: Goal of the day

Goal of the day goes to Mack for his terrific snap under pressure on his 50th game.

Q6: Play of the day

This week I did not notice a specific passage of play but rather an element of the game which the boys performed really well. During the first and third quarter, as soon as the footy entered the forward 50, the boys locked it in and hardly let the footy out. This resulted in many scoring shots and was displayed very well on the weekend.

Q7: Mark of the Day

Mark of the day goes to Matty for a contested mark just outside of our forward 50. Matty took the chest mark outnumbered 2 to 1 and roosted the sherrin into our forward 50.

Q2: Match Review Summary

Ashy 7.5.47 Camberwell 2.3.15 Well Done Davey, 50 great games for the Ashy Redbacks. Today's game was played in really difficult conditions, artic cold and a swirling wind. The attitude of our boys was first class and this really showed on the scoreboard. Our boys were great against the wind, they got back to the backline to help teammates and ran to make space on the rebound. We lost count of the number of great tackles and smothers and the coaches have really got the boys focussed on this aspect of the game. We were really smart with our ball use with the strong wind and this is where we made our hard work count on the scoreboard. The message from the coaches was "take your time and find a teammate" and this obviously sunk in as the boys were patient and made every kick count.

Hawthorn Citz 33 def Ashy 31

Q2: Match Review Summary

Back to back home games wow, with thanks to the Yarra JFL fixture gods, we ran out at Burwood determined to continue our improvement against Hawthorn. Didn't quite start as we hoped with Hawthorn kicking the first two but we had seemed good around the ruck contest and also seemed solid structurally. We remained hopeful and worked our way back into the game. Not with flair necessarily but with guts, determination and repeat efforts. We got one back as Cooper (borrowed from u10 blacks) finished off a scrappy move with a good finish. We missed a few gilt edged chances or chose the wrong option, but Charlie settled our nerves with a neat set shot. He just doesn't miss them. We moved into the second growing in confidence and Luke tucked away a goal which sounded to all the world like it was touched....half time and ahead, could we hold it. Our third quarter could have been a lot better, not only did we not score any goals but we conceded a couple and a number of behinds. We just couldn't get out of the 50, the wind blew strong against us and we went pointless. Was the wind as strong in the fourth when it was with us, not sure. We seemed to struggle with our confidence and flow until the second part of the quarter. Then we clicked, penned them into the 50, much as they did to us but we kicked errantly, had passed when we could have kicked and vice versa. Cooper nabbed another goal, and we were 2 points ahead with a minute left. We got out again over the top and we're thundering towards the 50 as the siren blew. No guarantee

we would have scored given the wind and some of our kicking but we still felt a bit unlucky but full of hope that we could compete at this level. Ashy 31-33 Hawthorn. A wonderful end to the game though with our first 50 gamer being chaired off through our guard of honour. Well done boys, and well done Danny. Our team spirit will sustain us through anything and the Ashy spirit embodied by Simon Miller and Simon Glover, who gave us Cooper and the very able James, lives on brightly. We thank you both sincerely.

Q3: Best players

Q5: Goal of the day

Charlie's clean kick and his commitment to drive back from Lorne to get to the game wins it this week.

Q6: Play of the day

Hugh's run and carry in the fourth along the edge of the 50 evading the lunging tackles.

Q7: Mark of the Day

Banyule 39 def Ashy 37

Q2: Match Review Summary

The 12 Blacks played their best game of the season on Sunday, matching Banyule throughout the four quarters. Having been beaten by them in round 1, the team were keen to test themselves and try to reverse the result. While it was extremely close & Ashy had their chances, the two point loss (6-3-39 to 5-7-37) was both a reflection of the game & at the same time a clear indication of how much this team has improved since the start of the year. All players should be

praised for their effort & commitment with so many having their best game. They are a terrific group to coach and we are very proud of how they approach their football.

Q3: Best players

Ronan Shaw was outstanding. As a leader, in the midfield & in defence, Ronan played his heart out and showed the tenacity, skill & determination that continues to drive his improvement as a footballer. Jimmy was back to his best in the second half, while Josh Y showed why he is so valuable to this team & how much we missed him last week. Josh W rucked most of the day & competed vigorously at every contest, often getting the better of his taller opponent. Great work. In his 50th, Corbin displayed the skill & persistence

Q1: Age group

Under 12 Green

Q2: Match Review Summary

Ashy u12 Green came up against Kew Comets away at Victoria Park, the scene of a number of memorable past matches for the team. Led onto the field by co-captains Oli McKerral and Robbie Cliff the boys got straight into the groove of the game with strong tackling across the board, and Ollie Hobday doing strong work around the packs along with Oli Mc and Ollie Egerton. After some strong resistance from the Comets we started to gain the ascendancy with a good goal from Ferg Ekins and two long set shots from Luka Best. In the second quarter we continued on from our good first quarter. Thomas Voller was not only winning the centre hit-outs but performing well around the ground. His smart boundary ruck work, together with excellent roving and positioning by Sean Egan resulted in a goal to Sean. Leigh Bouyoukas, Thomas and Flynn Kenny worked the ball out of a congested forward pocket well to set up a goal to Zack Thurman. Leo Edwards and Ollie E both took strong marks in the 'forward fifty' and centred the ball to teammates resulting in goals to Will McQueen and another one to Zack (who was running rampant). Quick ball movement from Charlie Matthews and Zack enabled another shot at goal by Luka. While the ball didn't get down the backline much, it was well covered when our backline kept to their positions. While Kew stepped up their intensity in the third quarter, Ashy Green continued to look to pass to teammates in a better position. Angus McCleery centred the ball to Flynn at centre-half forward who was able to pass it for another Zack goal. While Luka also followed up with a snap for his third goal. Leo Edwards showed the way with a number of 'one percenters' (smothers, chasing down his own kick, getting body behind the ball), while Robbie Cliff repeatedly laid a number of strong tackles. The fourth quarter continued on in a similar vein to the third, with Ashy Green having a numerous

forward entries but missing some chances. Charlie Nancarrow passed well to Harry Stack to enable a forward entry. Will Mc kicked a good goal following up his ruck work with some good work around the ground. Angus got the ball forward to Harry Stack in the goal square, who was too strong for his opponents and kicked a good goal from short range, and followed up with a goal of his own following some clever play where we centred the ball to the 'hotspot'. Ferg shrugged a tackle in the forward pocket and snapped a great goal to cap off a good win.

Q3: Best players

Zack Thurman, Ollie Hobday, Thomas Voller, Luka Best, Leo Edwards, Flynn Kenny, Sean Egan, Will McQueen

Q4: Goal Kickers

Luka Best – 3, Zack Thurman – 3, Ferg Ekins – 2, Will McQueen – 2, Sean Egan – 1, Harry Stack – 1, Angus McCleery – 1

Q5: Goal of the day

Ferg Ekins gathering the ball deep in the forward pocket in the last quarter, shrugging a tackle, then snapping the goal from a tight angle. Never looked like missing.

Q6: Play of the day

Leigh Bouyoukas presented well as a marking option in the forward pocket in the second quarter and brought the ball to ground, then Thomas Voller smartly worked the ball through a congested pack to Flynn Kenny on the boundary who centred the ball to Zack Thurman who goaled.

Q7: Mark of the Day

Ollie Egerton for a strong overhead mark up forward in the second quarter which set up a goal.

Q8: Top team player

Leo Edwards for presenting well as a forward option taking a number of strong marks on the forward line, then when switched up back did numerous team acts (smothers, putting his body on the line) to stop Kew from getting a goal.

Ashy 66 def Macleod 26

Q2: Match Review Summary

The Ashy reds ventured out to Macleod for the second time in a fortnight with the boys keen to make amends on the previous 7 point loss. Lead by Billy Macmillan and Will Gossan, the boys were switched on right from the start with a real focus on applying pressure across the ground. In a tight first quarter, a solitary goal was the difference but the signs were really positive. We blew the game open in the second kicking a further 3 goals and holding Macleod scoreless. The ball movement was most impressive with the boys prepared to take risks by switching across the ground with countless attacks being set up by our backmen and wingers including Noah Carrusso, Oscar White, Alex Karpathakis and Charlie Adams. We continued our hard attack on the ball and ferocious tackling in the second half and eventually ran out 40 point winners. Ashy 10.6.66 defeated Macleod 4.2.26

Q2: Match Review Summary

Although we didn't get the result we wanted the girls played with great endeavour thought out the day in some really wet and cold conditions. Welcome to Footy. We talked a lot about our defensive side of our game pre match and at training on Wednesday, it was great to see that played out on the day. Glen Iris had 4 to our 1 inside 50 entries and struggled to get the goals on the board due to our hard fought defence. Lead by Captain Ava who showed great leadership by dropping back to the goal line and defending whenever the ball came back, Jasmine played another great game provide the rebound play from half back, it was great to see Ginger getting in and under and stopping her opponent and getting the ball out, a potential jack Viney in the making. Our smaller player dominated in the wet conditions with Sophie P attack on the ball saw her been dragged along by the bigger players, Rosie continues to improve and is becoming a bit of a goal sneak with our only goal in the last quarter, Vice-Captain Issy showing some

great run off the half back line as well marking and playing on to advantage, Ella growing in confidence and attacking the ball, Alannah Orla and Jennifer doing the team things and defending against often much bigger opponents. We also had some good link up play with Jas and Ellie becoming a great little combination aka the Krackouer brothers (they are probably not going to know who they are so Steve and Damien will need to explain). It was also great to see the improvement in Elizabeth coming on in the last quarter and having an instant impact, great to see Edwina back from injury and getting some important possession for us. Great effort girls in trying conditions.

Park Orchards 46 def Ashy 2

Q2: Match Review Summary

Under 13 Middlewise Accounting Ashy Greens SHARKS SMASH SPIDERS! Round 6 Ashburton V Park Orchards Sharks Location: Stintons Reserve, Park Orchards This week, the team formally known as Ashy Green, took on traditional rivals, the Park Orchards Sharks. The game was not at their feared home ground, the "Shark Tank" but at their 'secondary' oval, at Stintons reserve. Whilst surrounded by high tree lined gully walls in a natural bushland setting, the locals pointed out it had only recently been used as a rubbish tip with significant methane venting issues, giving the kids some extra lift in their jumps on the adjacent BMX track. Adding to the Australian Gothic feel and grey skies above, it also had the slightly uneasy feeling that if one consulted a local historian; the area would prove to be the site of an unpleasant encounter between the local indigenous residents and European settlers in the 1840s. The Sharks themselves were founded in 1991 from the merger of the Park Orchards and North Ringwood Parish Junior Football Clubs, producing current Swans player defender, Nicholas Malceski and the famous Cloke off-spring: Travis and brothers Cameron & Jason. Disturbingly, whilst the canteen, situated within the Mayor of Doncaster-opened 1986 solid brick club house, had a genuine 1980s price list, including a \$3.00 pie, it also had a level of 80s reliability and had run out of said pies along with pasties, sausage rolls and no hot dim sims until late in the last Quarter. Despite such an omen, Coach 'Ravishing' Rod Martin addressed the boys in the cramped visitors' rooms before the match where he urged the boys to 'impact the contest'. Captain 'Hollywood' Harrison Haintz led the boys out on to the cold but sunny ground and initially, it was a very even contest. The play saw-sawed from one end to another, Ashy scoring only a point, but with Billy 'The Butcher' Branagan and Daniel 'The Colonel' Hogan working hard in defence, the Sharks also only managed a few rushed behinds. Q1. Ashy 0.1. (1) to Sharks 0.3. (3) The Second Quarter got off to a rough start with the Sharks goaling early and circling back for another one in under five minutes. Henry 'IXL' Jones took a great mark amongst the onslaught and 'Danger' Will Robertson took some solid marks in defence, having a tough day with a few unlucky decisions against him. The Sharks struck a third time despite the efforts of Matthew 'Mayhem' Mitchell and Hamish 'The Hammer' Toohey striving to break through the centre. Unrelenting, the Sharks kept pushing forward and only the efforts of Joel 'Buster' Bennett touching the ball on

the line stopping another goal. Yet when the siren sounded, Ashy had been held scoreless. Q2. Ashy 0.1. (1) to Sharks 3.4. (22) The sun remained out for half time and Third Quarter got underway. Your correspondent had been embedded in the Stintons oval time keepers and scoreboard facility. Similar to the Federal budget night lock up, we were there in isolation to focus on impending serious news but unfortunately, our desperate signals to the crowd around the club house for hot dim sims were to no avail. Joel 'Mopsy' McMahan and Oscar Boulter were good in the half backline trying to get through to the centre field and Ashy finally registered another score, a point. Tom Martin had a good burst in the mid field and Cameron Witt took a great mark in defence, but another Shark goal got through. Q3. Ashy 0.2. (2) to Sharks 4.6. (30) Dark clouds thickened overhead and the Umpire was keen to get the last Quarter started, but the speed of the dawdling parents ambling off the field was reminiscent of the beloved Glacier Brothers training team from last year's U12s. Finally underway, the rain began with big heavy drops in concert with the match. The Sharks didn't muck around, scoring a goal at the 4 minute mark. Oscar Boulter in the back pocket, 'Hollywood' Harrison Haintz and Ed 'Chainsaw' Dunlop had their work cut out in defence as the rain really began to pelt down. Billy 'the Butcher' remained fearless, throwing himself into the play – it was a good thing his mother was not around to witness such reckless abandon, but Ashy continued to struggle overall. Light headed from a general lack of sustenance, this correspondent was tempted to 'accidentally' lean on the siren switch, but the clock ticked over soon enough. Unfortunately it had been no picnic at Hanging Rock and the boys had struggled against a class outfit in Park Orchards. Keep in there Ashy! Final Score: Ashy 0.2. (2) to Sharks 6.10. (46)

Q3: Best players

Templestowe 60 def Ashy 38

Q2: Match Review Summary

It was a different start to Game day than usual with the boys styling their hair and polishing their boots in preparation for the team photo. After a few happy snaps, the boys made their way to Ferndale to host last year's Premiers, Templestowe. The team knew they needed to be switched on from the first to the last play to be competitive, and accordingly started well against a strong breeze, and very tall opposition. Displaying excellent composure, the boys held off a Templestowe attack and turned defence into attack through overlap and link up play which resulted in Alex Temmhoff taking a solid contested mark and slotting the goal as all good forwards should. Although trailing marginally at the end of the quarter, the boys had the belief that if they continued to apply pressure they could match it with a well drilled and skilful opposition. Unfortunately the boys were caught napping at the start of Q2 with Templestowe kicking 3 quick and very easy goals under little pressure to put a gap in the scoreline and go into halftime 27 points up. The half time break was a good opportunity for the boys to gather their thoughts and also be challenged by the Coaches to increase their run, pressure and 1 percenters in the second half. The team responded all over the ground, with the boys increasing their work-rate, second efforts and tackling to send Templestowe a strong message that our boys have pride in the Ashy jumper and will not lay down. The endeavour and team play the boys showed in H2 was very pleasing and was rewarded as they outscored

Templestowe 28 to 23. Although not enough to come away with the 4 points, the boys learnt another valuable lesson on their football development journey - which was to ALWAYS be switched on because if they aren't it will cost them the game. We are confident the boys will take that message into our next game and will be keen to respond in the right way.

Q2: Match Review Summary

The U15 Girls traveled out to Greensborough for the late match on Sunday afternoon, with a few players back from last week and some determination to play hard and be rowdy. We started well in the first quarter with both teams scrapping hard for the ball and lots of stoppages. In the second quarter St Mary's really got on top of us out of the midfield and were able to put our defense under continued pressure and score almost at will. After a reset at half time the Ashy girls made life much more difficult for the opposition around the contest, and we did slow their scoring down. Our last quarter was similar with the ball in our forward line for

extended periods without us being able to get one through the big sticks.

Ashy 12.11 Park Orchards 0.0 A good performance in the end from the team- the midfield and defence working hard to mop up the very few scoring thrusts from the opposition. Eventually with the forward line open the boys kicked goals but must still ensure that its not too crowded, use the linking players to find space. Ashy 72 def St Marys 52

Q2: Match Review Summary

A ripping win for the U 14 Red side. A nervous start as St Mary's had obviously improved and they dominated the first 5 minutes. In seasons past this could have been a catalyst. Ashy settled and always looked the better side after this. The intent all day and relentless tackling from our boys was special as St Mary's had many strong full developed players. Excellent goal kicking and selfless team play also a highlight. The belief and feeling between the boys this year is a sign of maturity as we were down to 18 fit players from the second quarter. The last quarter was a bit of a fizzer but again showed maturity in the boys shutting out the game giving the opposition no sniff of any revival as St Mary's became undisciplined. Big game next week against the old rivals Kew Rovers.

Q2: Match Review Summary

Ashy 10.17.73 v Whitehorse Colts 1.1.7 Cold windy winters day saw the girls waste opportunities early in the 1st quarter to lead at the 1st break 1.7 to 0.0 After that the girls knuckled down and started to share the ball around by hand and foot. Positional changes were needed to keep the girls warm They are slowly getting out of 2nd gear and starting to put pedal down. Camberwell next week

Q2: Match Review Summary

One of the most hard fought games a football I've ever seen. Our boys had a rematch against a Bulleen side who embarrassed us in round 2. At half time, nothing had gone our way and we found ourselves down 25 points. The third term was a different story, we kicked 5 goals to none and went into the final break up by a goal. After playing what was the most physical, tough and elite quarter of footy I've seen from the boys. The final term was a total arm wrestle, we had some chances, they had some chances, it came down to the final 10 seconds. We had a 5 point lead, deep in our defensive 50, only seconds left, following a ball up game an incredible controversial decision that gave bulleen a free kick and a 50 metre penalty, handing them the game after the final siren. It was one of the most heart breaking scenes in junior footy you could imagine, the boys had battled so hard

to get back into that game and deserved to get the victory, unfortunately it wasn't to be. We will get em next time.

Q2: Match Review Summary

An extremely hard and disappointing day for the boys this week after it was looking like a lot of promise leading into the game. The other team had 16 players and came out firing with them jumping out to a 5 goal to 1 lead followed by another strong performance in the second half to see them ahead at the main break 7 goals to 2. While we were playing with 16 as well it was a very hard day for the boys not sticking to the structures that we had tried to set up throughout the week resulting in a very lacklustre effort from most. At the start of the second half we were up a number with 16-15 players on field and we unfortunately had another 5 goals scored against us and couldn't stick to the fundamental things required to get the job done. The positives out of this game is that there is always next week and all that we need is the mental attitude to improve and then the boys will be much better this week at home.

Q3: Best players

S. Karvellas T. Oliver N. Blizzard

Q4: Goal Kickers

Q5: Goal of the day

With movement of the football very hard to come by the boys were able to work the ball out of defence with great poise and control to see them hit inside 45s along with great quick movement. This resulted in our only really strong chain of possession leading to the best goal that we had for the day.

Glen Iris 49 def Ashy 30

Q2: Match Review Summary

Our neighbours in Glen Iris have become the team we most like to compete against. This could be due to our close rivalry last year when we beat them to make it into the grand final or just plain old neighbouring suburb rivalry like Carlton vs. Collingwood. Any way last Sunday was no exception. Unfortunately, like all our losses this year, we made hard work for ourselves when we let Glen Iris get off to a three unanswered goal head start. Whilst we (again) turned the tide in the subsequent quarters to match Glen Iris in most aspects the damage had been done. The challenge for the team and coaching staff is to overcome our first quarter doldrums. Final score was Ashburton 4:6 - 30 to Glen Iris 7:7 - 49

Q3: Best players

Victoria, Gemma W, Olivia J, Ila, Gigi, Lyssie, Lucy, Tayla and Ash

Q4: Goal Kickers

Lyssie 2 goals, Bella and Jess M 1 goal each.

Q5: Goal of the day

A great team effort with the ball moving from half back via Lyssie to Gigi to Gemma W to Vic to Bella who kicked for goal.

Q6: Play of the day

Refer goal of the day

Q7: Mark of the Day

Lucy D. Playing at half half back marked an incoming Glen Iris ball amongst a pack of Glen Iris players.

Q8: Top team player

Olivia Jacka is one of the newer players to the team who is still developing her skills. She played selfless and committed team footy. She was often observed hunting the ball at the bottom of contests.
